Rewards of Faithfulness

Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart. Then you will win favor and a good name in the sight of God and man.

Proverbs 3:3-4

Obedience. Completely obeying what you know in your heart you should do even if it sounds nuts or if it goes against human logic. Ever pray about something? Yes, I know you have. Your answer comes, and shockingly, you don't like it. So you pray again, thinking you heard God's answer incorrectly? And He answers the same as before? When this happens, listen to Him. God really wants to share his plan for you if you'll choose to listen. We cannot possibly fathom all that he has for us if we choose to listen, if we choose to obey.

Rewarding faithfulness is the outcome of our humble submission. His ways are higher than ours. I learned that again myself just last week. Confirmation of his love is what obeying comes down to. I pray this for many children every day; *May they hear your voice, listen, and obey so they will know the truth that will set them free.*

May this blessing fall upon you as well.

Choose to listen and obey God even when you do not agree with his answer to your faithful prayers.
