Now there are
varieties of gifts,
but the same

Spirit;

and there are
varieties of services,
but the same

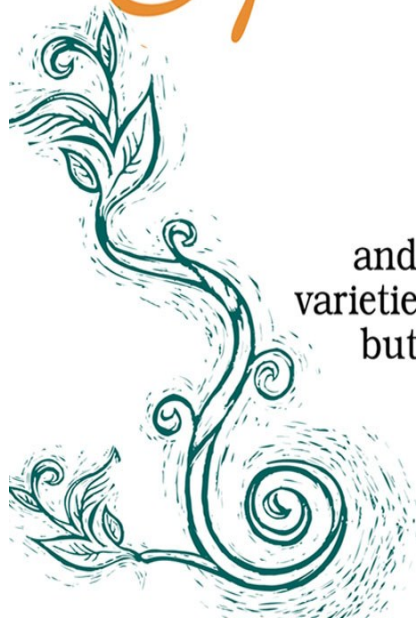

Lord;

and there are
varieties of activities,
but the same

God

who activates all...

SERMON NOTES:

"CSGMC has been blessed over many years with sacred church grounds and buildings. Please consider helping us preserve and share a few pictures that capture God's beautiful creations on our campus. He has entrusted our church family to be good stewards of these resources. We want to catch glimpses of how our congregation sees His presence in and around the property and physical structures that we call our church home. Pictures can highlight architecture (interiors or exteriors), nature, monuments, etc. and can be from the past or present. These are not to be professional photos and are not to be of the people of our church. We encourage high resolution digital files that are captured by all ages. Snapshots are to be submitted to [VideoColdSprings@gmail.com](mailto:VideoColdSprings@gmail.com) by **Saturday , May 16th**. Show off your phone camera capabilities. In the future, keep your eyes alert and you might just see your photo shared on the big screens in the sanctuary."
