Can four words change a life? On a rainy autumn day, four words changed the life of a young cardiology nurse. Four little words hurled across a dimly lit exam room struck fear in a mother's heart. "You are legally blind." Anita was convinced that her life was over, but God wasn't finished with her story yet. She couldn't see it then, but God had a good plan to bring hope and a future. In a warm, honest, and conversational style, Anita shares how faith, hope, and love helped her conquer adversity and forge a successful, rewarding life.

*None of the good promises the Lord had made to the house of Israel
failed. Everything was fulfilled.
Joshua 21:45*

The book of Joshua chronicles God's continuing faithfulness to fulfill His covenant promises to Abraham. It is a book of transitions, in which Joshua rises to leadership and the people of God step across the Jordan into the long-awaited land of promise. God's covenant will not fail them, and Joshua's faithful example will whisper toward the perfect faithfulness of Christ Himself. In this 10-session, verse-by-verse study of the book of Joshua, Jen Wilkin helps us see how God's commands, though sometimes difficult, are always rooted in His steadfast love for His people. Israel's story is our story. We battle not against flesh and blood as they did, but we courageously war against the temptations of the world, the flesh, and the devil, trusting in the finished work of the true and better Joshua, Jesus Christ.

Wednesday, September 9, 2026 through Wednesday, November 18, 2026 for
