Our summer schedule changes **to only Wednesday evenings** from 7-9pm (or whenever your student needs to be home). There will be **no Sunday nights** meetings in these Summer Months. *Sunday nights will return for our fall schedule in September*

These nights we do large group teaching on Scripture, as well as a lot of hang out for times of games and fellowship.

SUMMER SERIES

1 Peter: Living Well on the Way Home

Here is a letter written to a church like ours, about a time such as ours. Peter's first letter is one we need to read and treasure and believe. The post-Christian society that we live in now are very much like the pre-Christian society in which Peter's first century readers lived. While we may not face the state-sponsored persecution that many of our ancestors faced, we are encountering increasing hostility towards any identification with Christ.

We need Peter to teach us how to face the reality that following Christ and obeying His commands makes us aliens and strangers in a foreign land. We need to learn how to endure unjust suffering. We need to remember the identity and purpose of our local gathering as the Church. And must of all we need to learn how to live with joy, hope, and love when we are mocked, misunderstood, and maligned for our faith in Christ.
