ONE INVITATION COULD CHANGE SOMEONE'S ETERNITY

Someone in your life may be searching for hope, meaning, or a place to belong. What if your invitation could help them discover the life-changing love of Jesus? On **Sunday, November 1**, we're hosting our annual COS **Open House**, a special opportunity for friends and neighbors to experience Christ-centered worship, faithful biblical teaching, genuine community, and a warm welcome. Take an **invitation card**, begin praying, and ask God to bring someone to mind. One simple invitation could be the beginning of a life transformed by Jesus, now and for eternity.

If you'd like to give an additional gift to **Missions**, please do so above and beyond your regular tithe or offering to ministry/operations and designate it as "Missions."
