

- Is your heart stirred with a longing to introduce people from diverse cultural and faith backgrounds to Jesus, some for the very first time?
- Does the Kingdom reality of Revelation 7:9 move you to worship, that overflows into a passion for global missions?
- Do you strive to grow your own faith in Christ, and to grow together with those around you?
- Are you looking for real spiritual and professional development all while making lasting memories with internationals, co-interns, and more?
- Do you seek to be personally mentored by church leaders while growing as one yourself?
- Could you be one of the Summer Interns we've been praying for? If any of these questions have resonated with you, we invite you to read on!

Position Overview

Church of the Saviour Next Generation Ministry is looking for college-aged interns who have a strong and personal love for Jesus to come alongside us in growing, together with the nations in our neighborhood, towards Him. This internship is designed for mature followers of Christ to aid us in that mission, but equally to be served by Church of the Saviour leadership to develop as Christian leaders themselves. This program exists so that interns can first be poured into by God and His Church by the Spirit, and then overflow into gospel ministry for unreached people groups in Wayne and beyond. We seek in all things to love others, because God first loved us.

Primary Responsibilities

- **Spiritual Growth:** Maintain your walk with Christ and actively seek to grow in your faith. The first step in growing another's love for Christ, is to grow in love for Christ yourself. Daily time in God's Word & Prayer is key, along with attending the Sunday Worship Service (10:30 a.m.) each week. Regular group studies with the whole team, and one-on-one discipleship is how we'll seek to sharpen one another.
- **Leadership Development:** This program is geared to equip the church leaders of the future by developing you professionally, as a leader, and as a teammate. You'll collaborate with co-interns and Church of the Saviour staff to help our Global Outreach Ministry thrive in Jesus' name. You'll plan, coordinate, and lead various aspects, or at times the entirety of, weekly ESL Conversation Corners featuring biblical content, an outreach geared toward Afghan refugees, involvement in an evangelism-based mission trip to the diaspora in New York City, events involving our Global Partners, and other programs as assigned.
- **Sowing Seeds:** This ministry exists to see the gospel spread mightily among those who have never heard, and you'll be tasked with helping us accomplish that mission by God's grace. In all things, though imperfect, be imitators of Christ while modeling what it looks like to know and follow Jesus. Share with them the treasure you've found. Pray and humbly work with our volunteers and staff to plant seeds of the gospel.

Qualifications

- Must have a strong personal faith in Jesus Christ and his gospel
- Must have completed freshman year of college or be age equivalent
- Must have a cell phone, laptop, and general proficiency for various responsibilities
- Must obtain, before internship start date, all required clearances to serve with minors
- Must generally agree with all aspects of Church of the Saviour's Statement of Faith (available [here](#))

Compensation: \$4,000 minus normal tax withholdings

What are you waiting for?

If this position summary excites you and you sense a nudge from the Holy Spirit, please apply [here](#). Find out more at coswayne.org/employment and questions can be sent to Leigha via email: info@coswayne.org.
