Sunday Services at 8:30am and 10:30am

This Sunday we continue our journey through Paul's letter to the Ephesians. The apostle Paul has made it clear that although the church is called to unity that does not mean uniformity. Rather every member has a part to play through the gifts given to them by God. Ephesians 4, versus 11 through 16 clarifies the nature of our responsibility with these God-given gifts in the body: they must be

grown we are required to grow up and mature in our walk with Jesus. please join me this Sunday as we will sing. Praise to God, have fellowship with one another, and learn what it means to grow up in faith.

1. How have you grown and matured in your faith in the last year?
2. How is God growing you as His beloved child right now?
3. How can others in our church help grow you and how can you help others mature?

Help Care for The Next Door This Summer

We're building a small team of volunteers to help keep The Next Door Youth Center clean, welcoming, and ready for students during a special transition this summer – and we'd love for you to be part of it!

For the past school year, Kate has faithfully managed our cleaning team, and as she steps away from that role, we're so grateful for all she's done to care for this space. During the summer months, the youth center is only used twice a week, and in the fall, a cleaning service will begin handling regular maintenance.

In the meantime, we're hoping to fill this short-term need with volunteers. It's a simple, meaningful way to serve – just a couple of hours when you're able – while also helping the church save on costs during this transition. Whether you have a student who attends or simply want to support this important space, your time and energy can make a real difference. It can even be a fun way to serve together! If you're interested, please reach out to Allen Timms at allen@np-church.org. For safety and liability reasons, volunteers must be 18 years or older, as the role may involve use of cleaning supplies and independent work in the facility. Thank you for helping us create a space where students feel safe, valued, and cared for!

Olive Crest School Supply Drive We're excited to invite you to join us in supporting a meaningful cause this summer! From July 1 through July 26, we will be hosting a school supply drive for Olive Crest, helping ensure students have everything they need to start the school year with confidence. This effort will also be a special project for our VBS attendees at the end of July, giving them a hands-on opportunity to serve and make a difference in their community. Thank you for considering how you can help—every item makes a difference! Here's the wish list:

Serving Together: Our NextGen in Action

You may have noticed an increase in involvement from our NextGen Worship & Media Team in recent months. We are incredibly grateful for the enthusiasm, talent, and servant-hearted leadership these young people have brought to our worship ministries. From leading music on Sunday mornings to singing in the choir, operating cameras, running

slides, managing livestreams, and assisting with sound, they are helping make worship happen each week.

At North Point, we believe that young people are not simply the future of the Church — they are an important part of the Church today. It has been a joy to watch students and young adults use their gifts to serve Christ and His Church while growing in confidence, skill, and faith.

We would love to see more young people get involved! Whether you enjoy playing an instrument, singing with the True North Youth Choir, or “running the show” behind the scenes with our Audio/Visual Ministry, there is a place for you on the team. No matter your experience level, we are happy to help you learn and grow.

If you or someone you know would like to learn more about serving with the NextGen Worship & Media Team, please reach out to the church office or speak with a member of our Music Ministries leadership team. We’d love to help the next generation discover and use their gifts for God’s glory.

Mike
