

GIVING TREE FAMILY
APPLICATION

We are glad that you are registering to receive gifts in this year's GIVING TREE ministry. The Giving Tree Ministry is an opportunity for the Bethel Church body to bless others because Jesus has been a blessing to us in so many ways. Sometimes we all need a little help to bring Christmas cheer to others and we want to bless you by adopting families through the GIVING TREE ministry. Simply fill out this form to register to receive gifts and return it to the Decorated Giving Tree Box downstairs at Bethel Church just outside the multi-Purpose Room.

Our Bethel Church families will adopt families who have registered to receive gifts. The window for gift requests is 10/7/26-11/11/26. People from Bethel church will deliver the gifts to your home the week of December 6-12th. We will be careful with your personal information and only use it as a way of contacting you to make sure that we can deliver the gifts in an efficient manner.
