

More Than We Know

© 2018 Joe Deegan. Words and music by Joe Deegan.

1. When we walk through the desert for forty years straight
It may feel like the Lord doesn't care
But the manna that feeds us day after day
Is the proof that he's always been there
It's the proof that he's always been there

(CHORUS)

The Lord loves his children more than we know
In all that he does, he does to show
That he'll never forsake us, he'll never let go
The Lord loves his children more than we know

2. When we stare down that giant standing so tall
And he's marching toward us on the field
The Lord sends his champion to fight for us all
And his children need only be still
His children need only be still

(CHORUS)

3. When the hour grows dark, he closes his eyes
And our Savior breathes his last breath
He pierces the darkness, and he comes back to life
So his children don't have to fear death
His children don't have to fear death

(CHORUS)
