

Sing Over Us

© 2019 Joe Deegan. Words and Music by Joe Deegan

1. There will be no sun for he will be our light
Out of the tomb these broken bones shall mend and rise
The former things will pass away, Death will never see the light of day
But we will see our Jesus face to face

CHORUS:

*And he will sing over us
He will sing over us
We will see the face of our first love
And he will sing over us*

2. With his own hands he'll wipe the tears that stained our cheeks
And when we lift our gaze, our eyes at last shall see
The former things shall pass away
Every bitter sorrow, every pain
Will come undone when we behold his face

CHORUS

BRIDGE:

The Lord our God is in our midst, the Lord has come
He will quiet us with his steadfast love
The Lord our God is in our midst, the Lord has come
He will quiet us with his steadfast love
His steadfast love

DOUBLE CHORUS
