4/4, Key of D

D Dsus D

1. Let us walk in humility

F#m

Let us serve one another patiently

G D Bm

Let us love our neighbor and our enemies

G A D

As the Lord has loved you and me

2. Let us enter into suffering

Let us hold one another in our grief

Let us not forget the song we sing

He is good even when we cannot see

CHORUS:

A Bm

The Lord is good, the Lord is good

D G

He may not be safe, but he is good

A Bm

The Lord is just, the Lord is kind

D G

The Lord is wrath and love at the same time

Bm A D

The Lord will rule just as he should; the Lord is good

3. Let us lift up holy hands

Though we may not understand

Every wound we bear and every doubt we have

Of a God who's both a Lion and a Lamb

4. Let us lift our eyes and see

A God who suffers willingly

A King who enters into our sorrow and our grief

A shepherd who never leaves his sheep

DOUBLE CHORUS
