

The Love of God

© 2021 Joe Deegan. Words by Frederick M. Lehman.

Words and Music to chorus by Joe Deegan.

1. The love of God is greater far than tongue or pen can ever tell
It goes beyond the highest star and reaches to the lowest hell
The guilty pair bow down with care, God gave his son to win
His erring child he reconciled and pardoned from his sin

(CHORUS)

Oh the love of our God, oh how measureless and strong
There is no sin, no crime, no wrong that can endure the love of God

2. Could we with ink the oceans fill, and were the skies of parchment made
Were every stalk on earth a quill and every man a scribe by trade
To write the love of God above would drain the ocean dry
Nor could the scroll contain the whole though stretched from sky to sky

(CHORUS)

Oh the love of our God, oh how measureless and strong
There is no sin, no crime, no wrong that can endure the love of God

(BRIDGE)

Oh love of God, how rich and pure, how measureless and strong
It shall forevermore endure the saints and angels' song

(CHORUS)

Oh the love of our God, oh how measureless and strong
There is no sin, no crime, no wrong that can endure the love of God
