

# This Table

© 2021 Joe Deegan. Words and Music by Joe Deegan

1. We have sinned, we have broken your command  
Tasted fruit from the enemy's right hand  
We have labored to cover up the damage that we've done  
But our sins are too great to overcome

## **(CHORUS 1)**

This table is for sinners, this wine is for the weak  
This bread is for the broken, that we might taste and believe

2. We have sinned, we have wandered from the path  
We have loved gods that do not love us back  
We have broken promises we never thought we'd break  
But our God does not leave us in our shame

## **(CHORUS 2)**

This table is for sinners, this wine is for the weak  
This bread is for the broken, that we might taste and believe  
That God alone is good, God alone is love, God alone has welcomed the worst of us  
That the guilty one might come at the price of his Son

## **(CHORUS 3)**

This table is for sinners, this wine is for the weak  
This bread is for the broken, that we might taste and believe  
That God alone is good, God alone is love, God alone has welcomed the worst of us  
That the guilty one might come at the price of his Son  
That the guilty one might come and commune with God's own Son
