Sick and Tired of Being Sick and Tired

I think it is safe to say that I saw more Dr's in the month of May than I did for an entire year in the past. I want to say how grateful I am for all the prayers, concern, and care everyone has shown to Sherry and me. I am not surprised that you have shown such care. St. Andrew's is a very caring congregation full of great people. I am blessed to be your pastor.

That care and understanding is one of the things I want to highlight today. We have had people from all walks of life visit St. Andrew's in the past 6 months. You shown everyone of them the same care and love that you show for each other every Sunday. It is the DNA of this congregation to love people and make them feel at home. It is why so many people who visit with us on Sundays, community dinners, and Celebrate Recovery feel at home and compliment us on how they are treated and loved by those who are part of St. Andrew's.

People often come to church because they are sick and tired. They have been beaten up by the world and other people. They are looking for a place to rest, relax, and someone to care about them. It is what so many in the world need today. What they don't know is that Jesus wants to be the answer to being sick and tired. Jesus is the answer for finding peace in the soul. All you have to do is open the door and let Him in. Begin reading His word and join a small group or a Bible Study to discover how Jesus can bring the peace people need so much. Second, I want to highlight a ministry completely devoted to being good listeners. Some people just need someone to talk to and talk through what is going on in their life. St. Andrew's is blessed to have so many Stephen Ministers. Stephen Ministers are people who have been trained to sit and just listen to what is going on in your life. Sometimes we just need someone to talk to about things, and they are that person. If you need someone to talk to, I hope you will reach out to me so I can introduce you to Stephen's Ministry.

In His Love
 Robert

Dear Brother Robert and Church family,
 Thank you so much for the love and concern shown to me during this challenging chapter in my life. I ask that you continue to pray for me, that I may receive complete healing of my arm.

"I thank God every time I remember you. In all my prayers for you. I always pray for joy because of your partnership in the gospel from the first day until now..." Phillipians 1:3-5, NIV

Your sister in Christ,
 Mary Ann Lee
