Dear St. Andrew's Family,

Thank you all so much for your ongoing support for our mission work in Belize and here in the states. God is moving! We could not do this work without the support of generous churches and loving hearts like all of you at St. Andrew's. We are so blessed by each of you!

Much Love,
Todd & Roxanne Henderson

Dear Friends of CCC,

In Genesis 22:8 Abraham reminds Isaac that the Lord will provide a lamb for a burnt offering. Last week when I was concerned about the CCC funds being very low, one of the volunteers reminded me, "The Lord will provide." Very different contexts, yes but He still provides. This was illustrated dramatically yesterday. A local organization brought us a totally unexpected and very generous check which will be a big help as we go into the cold winter months when people's utility bills go up.

Perhaps in a less dramatic way, the Lord provides for the needs of the CCC through your faithful and regular donations throughout the year. You are a real blessing and an answer to our weekly prayers. The Lord uses your donations to provide the funds we need to provide for His people in need.

So far this year we have helped 408 families with a total of $59,982, with office expenses of 1%, and 99% of our total funds going directly to our clients' utility bills. If you know of people who need help with their utility bills, please feel free to refer them to us. They can call our office at 256-739-1578 pm Tuesday or Thursday between 9:00 and noon, and we will be happy to make an appointment.

In Service to the Lord and His children
Hazel Heinze, Director of Volunteers, CCC
