The LORD is my shepherd;
I shall not want—Psalm 23:1

Live Stream!

Ever wonder what goes on during our VBS opening each day? Now you, parents, grandparents, and friends will have the chance to find out! Check out our live stream each day at www.whbc.org (9-9:40 a.m.) to listen to our songs and watch the daily skit.

Mission Project

This year our New Heights youth group is sending a team of students and adults to the rural town of Tárcoles, Costa Rica. They will be in the community and local schools leading VBS programs, hosting sports outreach events, encouraging teachers and church leaders, and going door-to-door to connect with families.

The Goal: Our goal is to raise \$1,800. All donations will help provide Spanish Bibles, food bags for families, VBS supplies, soccer balls and sports equipment, gifts for teachers, and a much-needed church sign.

The competition: Each year our girls and boys enjoy competing against each other in raising money for our project. Who will win this year? Donations should be dropped in the display near the doors of the assembly area.

Parents can join the fun and make donations online through Thursday evening. Donate towards the boys team or the girls team, or both! **ALL ONLINE DONATIONS MUST BE IN BY THURSDAY EVENING.**

TOP OF THE MORNIN' TO YA!

Welcome to Emerald Crossing!

From lush meadows filled with sheep to farms in the countryside, there is always somewhere to explore in Ireland. As we travel through Emerald Crossing every step along our path will teach us about the Good Shepard and how he cares for His sheep. We will study Psalms 23 and life of David, who started as a shepherd and ended as king. We will be challenged to look at how giving our lives to Jesus can change us. This week we will learn how following the Good Shepard can take from the wrong path to the right path, lost to found, fearful to peaceful, grumbling to grateful, and shaky to sure!

Color groups will visit a different lesson site each day. Make sure to ask your child what they learned each day.

DAILY SKIT

Each morning during the opening session, kids will see a skit that goes along with the theme of our VBS.

Monday . . . Welcome to Stillwater Farm! It's been in Grandpa Fitzpatrick's family for more than 100 years. Unfortunately, Grandpa Fitz is getting older and he's going to need to sell, although it breaks his heart to do so. At least he thought he needed to sell until his son & daughter-in-law, Shane & Erin, showed up out of the blue from New York City.

Shane is sick of his busy life as a lawyer and has decided to move back home and take over the family business. Erin is less sure of this plan but is willing to give it a try. It looks like everything is going to work out! There was this stranger who visited the farm from the county. He wanted to buy the place, but Grandpa Fitz let him know it was no longer for sale.

He was very persistent about buying, hopefully he doesn't cause any trouble . . .
