God TIME

June
Week 1

SPECIAL WORDS:

God [point up] made everything!
[spread arms wide]

BIBLE STORY:

Creation: A Happy Day
Genesis 1-6

BIBLE STORY TIME

We had a great time learning that God made everything. Isn't that amazing? We heard the whole story of creation from the Bible and learned that God made everything in just seven days. And on Day Seven, God took a rest! We can take care of all the things God made.

You can read the story of Creation to your child in **Genesis 1-6** in a children's Bible.

BIBLE VERSE TIME

"In the beginning, [Point thumb over shoulder] **God created** [Point Up] **the heavens and** [Point Up in a V] **the earth.**" [Point Down in a V]. - **Genesis 1:1 NlrV** [open hands like a Bible]

DRIVE TIME

As you drive, look out the window for things God made. When you or your child sees something that God made, say "God made the _____ (fill in the blank)." Some ideas are; "God made the trees", "God made the clouds", "God made people", "God made food". Have fun finding all the things that God made.

PRAYER TIME

Have your child repeat this prayer after you.

Dear God,
[Dear God]

Thank You for making everything.
[Thank You for making everything.]

I love You.
[I love You.]

In Jesus' Name,
[In Jesus' Name.]

Amen.
