WINTER RETREAT

Impact is going to Gull Lake Ministries for a 2-night retreat.
This year our retreat will be Saturday, January 16 to Monday, January 18 (Martin Luther King Jr. Day). Transportation will be provided there and back. We are taking charter buses to Gull Lake Ministries in Michigan (a two-hour drive from Pathway). We will depart from Pathway Community Church (1010 Carroll Road) at 8:30 am on Saturday, January 16 and return at 5:30 pm on Monday, January 18.
It will be an incredible experience filled with fun, adventure, and life-changing encounters with God!

WHAT TO EXPECT

Here's what you can expect at Winter Retreat 2027…

It will be a ton of fun!
Gull Lake is a luxury spot with a full-size gym, indoor pickleball, bowling lanes, rockclimbing, game room, and awesome housing!

You will connect with others!
Winter Retreat will be an intentional time for students to connect with each other, build new friendships and grow closer together as a youth group!

You will connect with God!
We will take time each morning and evening of the retreat to meet together, worship, share in small groups and dive into the Word. It's amazing what God does when we take a few days to get away and put our focus on him.
