Friends,

Happy new year! We are eager to see what God has in store.

It has been a privilege to become part of Iglesias del Oeste and see our own vision expanding under theirs. Our heart is to see the pastors and leaders of our community walk in the fullness of what God called them to, even as we learn to do the same!

In 2023, we look forward to walking out this purpose through continued relationship, pastoral care, marriage workshops, conferences, service projects, evangelism, teams, and more. We also continue to invest in our own growth as we serve by working through a Master's in Biblical Leadership.

Our family is especially excited for the arrival of baby boy this spring!

God has been good, and we know that there are great things in store for this year. We want you to be a part of it! Thank you so much, friends, for your love and support.

The Molinas

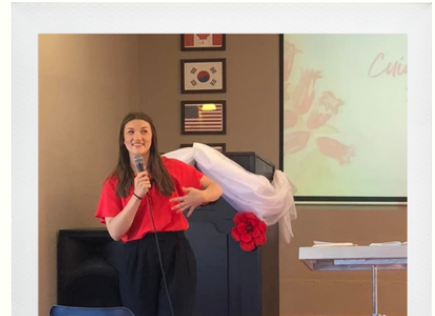

RECENT HIGHLIGHTS

Pastor Projects

LEFT - Arturo has used his skills and willing hands to help a number of pastors complete personal projects. Here he helped Pastor Juan build a room for his mother-in-law.

RIGHT - A new area we are growing in has been preaching and teaching as a way to support the pastors while they are away at other missions or taking a needed time of rest. It has been a joy for both of us to speak in churches and other events.

Preaching & Teaching

Graduation

LEFT - A few years ago, we began to invest in our growth as people and as leaders, and it was life changing. In December we both graduated from Seminario del Oeste, a Christ-centered, fully accredited, accessible leadership program of Iglesias del Oeste that now we're privileged to offer to others.

RIGHT - We take any opportunity to bring pastors together in fellowship. Arturo spent a week building cabins with a group of local pastor friends.

JOIN US

We invite you to be a part of seeing San Quintín transformed by the Gospel as healthy leaders rise up. Some ways that you can join us:

FINANCIAL SUPPORT FOR MOLINAS - We're so grateful to receive a salary! But we aim to raise an additional \$500/month to help us cover some regular expenses of our growing family.

FINANCIAL SUPPORT FOR MINISTRY - Our goal is to raise \$5,000 by April to jumpstart our 2023 ministry budget and provide for some of our key focuses this year.

PRAYER & SPIRITUAL SUPPORT - Your prayers and words of encouragement are so valuable to us! We hope to form a team of people committed to keep us in their prayers.

You can pray for:

- protection & health for our baby
- wisdom and vision for this year of ministry
- provision for ministry in San Quintin
- continued covering for our leadership of Iglesias del Oeste

If you are interested in joining us in any of these ways, we would love to hear from you!
