

# CHRIST OUR SAVIOR LUTHERAN CHURCH, LIVONIA, MICHIGAN

## APPLICATION FOR LCMS ELEMENTARY SCHOOL TUITION GRANT

I believe that Christian education is a three-way partnership between student, parent, and church. This partnership is an extension of the ministry of LCMS congregations, with or without schools. Christ Our Savior Lutheran Church believes that a Lutheran education is a blessing at every level and has made the commitment to support the families in our congregation who wish to provide this opportunity for their children. Therefore, we are excited to offer a tuition grant to those member families who wish to provide a Lutheran elementary (K-8) education for their children!
