

**CHRIST OUR SAVIOR LUTHERAN CHURCH, LIVONIA, MICHIGAN**  
**APPLICATION FOR LCMS ELEMENTARY SCHOOL TUITION GRANT**

Christian education is a three-way partnership between student, parent, and church. This partnership is an extension of the ministry of LCMS congregations, with or without schools. Christ Our Savior Lutheran Church believes a Lutheran education is a blessing at every level and has made the commitment to support the families in our congregation who wish to provide this opportunity for their children. We are excited to offer a tuition grant to those member families who wish to provide Lutheran elementary (K-8) education for their children.
