A Note from the Front Office

April Whetter, Ministry Assistant

Today, before we buy something, eat somewhere, or go some place, we can learn about its reputation before making a decision to invest time and energy on that specific item, food, or trip. A good reputation takes time, intentionality, effort, and consistency to build. Proverbs 22:1 says: "A good name is to be chosen rather than great riches, and favor is better than silver or gold." This verse teaches that having a respected character and a good name is worth more than money. What is Nashville Baptist Church's reputation? Well, among the local agencies that provide assistance to community members, NBC is held in high regard as a church that helps the community.

Since 2024, Nashville Baptist Church has directly helped 45 community members. In this same period of almost three years, a little over \$6,000 has been dispersed to help with energy bills, rental assistance, gas, and room stays for people between housing to name just a few of the many ways we have provided assistance. Nashville Baptist Church has a partnership with Faith Christian Ministries (FCM) here in Nashville. Quarterly, NBC takes up a special Benevolence Offering, of which half goes to FCM to help them provide financial assistance to those in our community, and many additional people are helped there.

At times, the financial needs of a person are greater than FCM is able to meet, and NBC tries to help while staying within the church's guidelines and policies. Through your generous giving towards the Benevolence Fund, people have not been evicted from their homes, their lights were turned back on, and they were able to get a full tank of gas to drive to their new job. There are stories of people having car repairs, which put them behind on their light bill, an illness that led to fewer working days and not being able to make ends meet for the month. There is a story of a single mother's water well pump breaking, which put her behind on her bills. It is an honor that people look to the church for help and a great opportunity to share Christ's love tangibly.

When people contact NBC for assistance, I ask how they heard of this church. Sometimes it is a referral from Faith Christian Ministries. Sometimes they are driving down Washington Street and see the church. But sometimes it is their rental company that knows NBC has helped others; sometimes another church gives them our name; sometimes it's another community agency. Nashville Baptist Church is listed on the Agencies of Assistance list that the Department of Social Services (DSS) gives to community members in need. Nashville Baptist Church is recognized as a church that aids, supports, and assists the community.
