

Walk With the Word

Acts 20

20: 1-12 --- Paul visits Greece and journeys to Troas in Asia Minor.

Paul restores life to Eutychus who falls asleep.

20:13-16 – Paul and his companions bypass Ephesus for Miletus.

20:17-38 – Paul’s parting message to the elders from Ephesus.

In Ephesus, Paul had discipled the elders with trials.

The message: “...repentance toward God and faith in Jesus.”

Paul states “bonds and afflictions” await him in every city.

He did not “shrink” from declaring “the whole purpose of God.”

Paul gives 2 warnings: “Be on guard” and “be on the alert.”

Incredibly, “savage wolves” will emerge from among them!
(cf. Revelation 2:1-7)

Paul affirms he did nothing for monetary gain.

(He probably supported himself with tent making.)

Paul announces his need to return to Jerusalem where “trials” await him, and eventually travel to Rome (19:21).

Over Paul’s departure, there is great grieving.
