

EVENTS DEACON

MISSION/PURPOSE

Coordinate and assist North Shore Church administrative staff with activities or services related to church events.

FUNCTION

The function of the Events Deacon is to provide consultation, advice and other input as required. The Events Deacon serves as the point person to enlist the aid of other deacons for events or special needs of the church.

PROCEDURES

Since the sophistication and scope of the functions of the North Shore Church administration have expanded in the areas of events, the weight and details of events are best handled through their processes. The Events Deacon functions in an advisory capacity providing input, coordination, and voluntary deacon resources.
