Missions Highlight

Steve & Leslie Schneider | Santiago, Chile

The Schneiders serve in Santiago, Chile, the modern capital city of 7 million residents. Chile is a deeply Catholic country, with strong indigenous cultural influences. In 2007, they visited the Seminary in Santiago, and in 2010, God led them to their ministry home with the goal of mentoring and training men through pastoral and leadership training. They founded a new Chilean seminary where Steve has trained and graduated 71 men in their two-year expository preaching program. In cooperation with The Masters Academy International (TMAI), they are working to expand the curriculum to a six-year Master's in Divinity degree. The Schneiders are also involved in a church plant and recently moved across town to be closer to this growing ministry. They have begun a church building project on the church's property, and hope to complete construction by next September in time to hold conferences at the end of 2026. They ask for prayer for their lives, ministries, and the funds needed for the church construction project. To receive a copy of their correspondence with SCBC, email Tom Benson at tomb@scbc.cc.
