# CMC Missions

## Our Purpose

Our purpose is as clear as the command of Jesus: "Go into all the world and make disciples." Everything we do finds its purpose in this call from the Lord. Whether it's continuing to bring children to Jesus Christ around Grand Goave, Haiti, building a new church worship center in Mexico, constructing a maternity ward for a hospital in Belize, revitalizing a church in Saraland, MS, or starting new church families both here in the U.S. or abroad, our focus is to obey Jesus' command. We are determined to make His last command our first concern.

## Share God's Love

*"Go into all the world and make disciples."*  
**John 15:16**

Since 1917, CMC Missions has been involved in the Christian story by promoting the message that Jesus is the Savior for a dying world. It began when two women with a heart to serve in India and those around them were willing to help. These core values of hope and partnership inspired a vision that has taken us to many places and continues to motivate us today. Throughout our history, CMC Missions has sent missionaries into service worldwide, ministering in many different countries on 5 continents, reaching people for Jesus Christ.
