

Mount Moriah Fam,

This document contains details specifically for Summer Camp at TRO! We are set to be there the week of July 13th- 17th . **Please read this VERY CAREFULLY as it will help in guiding you through the financial expectations leading up to our week at TRO!!!**

A \$50 deposit PER STUDENT is required upon registration to secure your spot!!! This also means that your student is COMMITTED to attend Summer Camp at TRO and paying in full. You will have from the time you register till July 6th to make payments as you are able. The remaining balance is due BY JULY 6th!!!

TRO needs our FINAL headcount and payment NO LATER than May 24th. This means we need our final numbers by May 24th to be sure we can send this payment to them!!! **May 19th will be a hard deadline for final registration.** Mount Moriah will be paying TRO on May 19th for all students who have paid \$50 and secured their spots!!! Once our final headcount is turned in to TRO, WE ARE LOCKED IN and financially responsible for paying all costs for that final headcount, no exceptions!!! A waiting list will be in place beginning May 19th and families will be notified in order of their placement on this waitlist as spots open up due to cancellations.

If a student can no longer attend and has to cancel between May 19th and July 6th, they will need to be replaced in order for any refunds to be honored OR families will be obligated to pay in full the total cost of Summer Camp at TRO!!! NO EXCEPTIONS!!!

If your family has **2 or more students in our ministry** that will be attending, there will be a discount of \$100 off per student!! Please email me if you have 2 or more students that will be attending Summer Camp at TRO and I will provide a code for you to use as you register your students through our Realm system!!! PLEASE CONTACT ME BEFORE you register so you can use this code to get the discount when you register your student through Realm!!!!

Please contact me concerning scholarship information and I will be happy to look into that for your family and see what we can do! We want to make every effort possible for students to attend this week during the summer! It will be a great investment in their spiritual growth and in building community!
