VISION

BLUE SPRINGS ASSEMBLY

A NOTE FROM PASTOR CHAD

Kingdom Builders is a Spirit-empowered initiative designed to engage the people of Blue Springs Assembly in a lifestyle of extravagant generosity.

It equips believers to give generously above and beyond the tithe to fuel the mission of Jesus both around the corner and around the world (Matthew 28:19; Psalm 112:5).

We believe generosity is discipleship. God uses giving to change lives, send missionaries, translate Scripture, raise up leaders, strengthen churches, reach children, and impact communities.

The mission is urgent. As one missionary leader said:

"The gospel is only good news if it gets there in time."

That is why we give. Because there are still people who need to hear. There are still communities waiting. There are still children who need hope. There are still lives that can be changed.

Our desire is simple: To do everything we can to ensure the Gospel reaches as many people as possible in our lifetime.

Reach The One,

Pastor Chad

ABOUT KINGDOM BUILDERS

Who are Kingdom Builders?

Kingdom Builders are people who believe everything God has placed in our hands can be used to make an eternal difference. We give generously, go willingly, and live with a heart to see the Gospel advance around the world and around the corner. Through Kingdom Builders, we help send missionaries, plant churches, serve the vulnerable, reach the next generation, and meet practical needs in Jesus' name. Kingdom Builders are not just people who give to a fund—they are people who choose to live on mission, using their time, resources, and influence to help build what matters for eternity.

2027 PROJECTS

OUR STRATEGY

GLOBAL

We want to advance the gospel around the world. We believe in reaching the one. Because every nation, every region, every person deserves access to Jesus.

LOCAL

We want to reach our city and love the people here deeply. We will do this through strategic ministry planning for our local region.

NEXT GEN

We want to invest in the Next Generation. Investing in them is the church's future. We do this through camps, conferences, and more.

GROWTH

We want to create more room for more ministry to happen in our four walls and beyond. Reaching the one means making room for the one.

“THE GOSPEL BELONGS EVERYWHERE. EVEN WHERE THE ROAD ENDS.”

THE ORPHAN'S HANDS

EL SALVADOR

In October 2024, we took a step of faith and launched our international campus in El Salvador. Under the leadership of Pastor Romeo, Selah Church is becoming a growing Gospel presence in its community—reaching families, developing leaders, serving people in need, and introducing people to Jesus.

In 2026 alone, we celebrated 14 salvations, 9 rededications, and 3 water baptisms, while 40 children received Jesus during an outreach with our BSA ministry team. The church also served more than 230 meals to people experiencing homelessness, distributed over 500 outreach items, and witnessed two reported miraculous healings. Through Kingdom Builders, we are continuing to invest in this church as it grows stronger, reaches farther, and establishes a Gospel presence that we believe will impact El Salvador for generations to come.

RVSL FOUNDATION

We are partnering with RVSL Foundation to help launch the first Project Rescue Safe Home in the Dallas area in 2027, providing long-term restorative care for survivors of human trafficking. More than a place of rescue, this home will provide a safe, Christ-centered environment where survivors can experience trauma-informed care, healing, discipleship, and practical support as they rebuild their lives and move toward lasting freedom.

SURGE

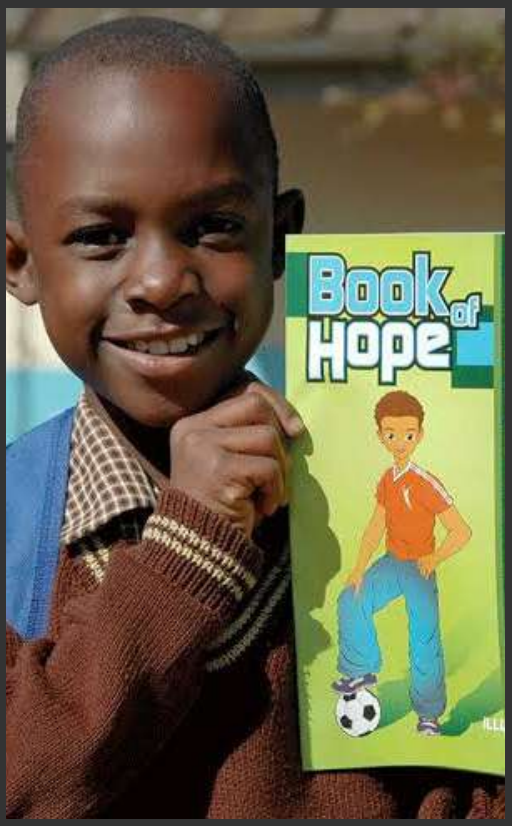

We believe one of the most effective ways to reach a community is to plant a healthy, life-giving local church.

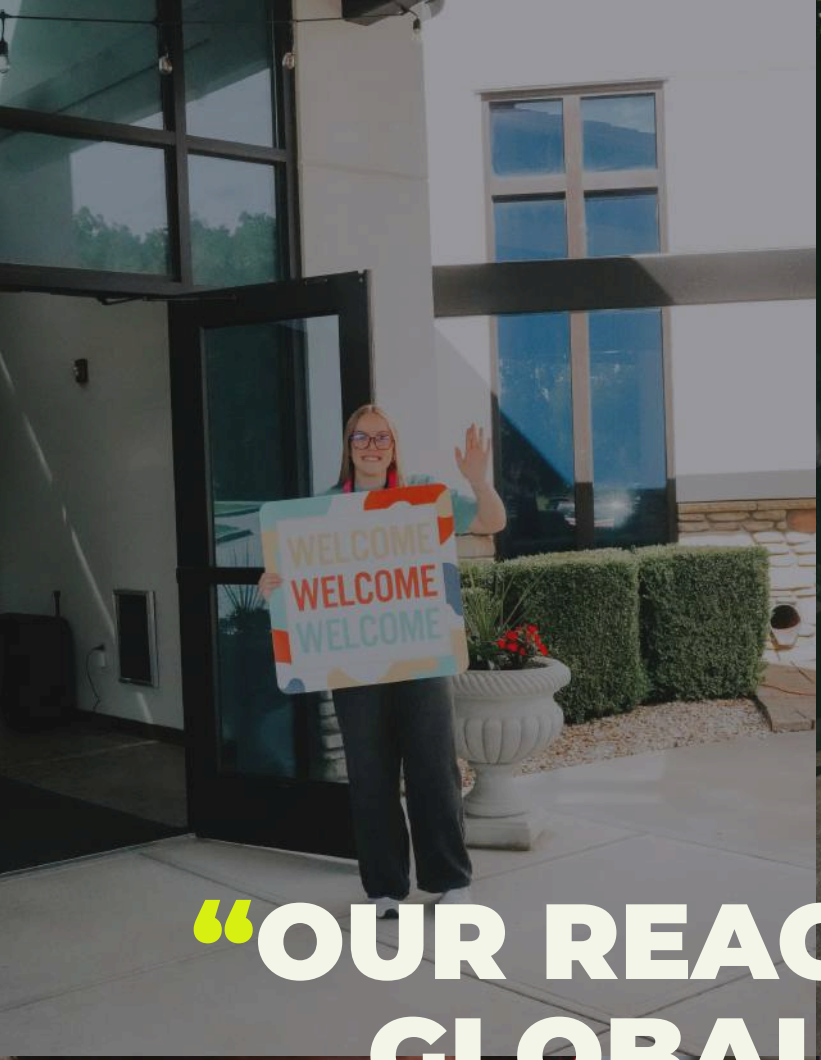

That's why we partner with Surge, a global church-planting movement that equips and supports local pastors to reach their own communities. These leaders already know the language, understand the culture, and have relationships within the places they serve. Surge provides relationship, training, coaching, and resources to help them establish churches that become self-sustaining and multiply. Since 2001, Surge has helped plant more than 29,000 churches worldwide, including 4,094 churches in 2025 alone. Through Kingdom Builders, we aren't simply helping start a Sunday service—we are helping establish a Gospel presence that can make disciples, develop leaders, serve communities, and plant even more churches for generations to come.

ONE HOPE

We believe every child deserves the opportunity to encounter Jesus and experience the life-changing truth of God's Word.

That's why we are partnering with OneHope to reach the next generation with Scripture in ways they can understand and engage. Working alongside local churches and ministries around the world, OneHope helps place the Gospel into the hands and hearts of children and young people. For every $1 invested, three children are reached with God's Word and a message of hope. Through our $5,000 Kingdom Builders partnership in 2027, 15,000 children will have the opportunity to hear the Gospel.

“OUR REACH IS BOTH GLOBALLY AND LOCALLY.”

Serve Day '26

LOCAL PROJECTS

SERVE DAY

Our desire is to mobilize our church family to meet the needs of our local community, serve schools, bless neighborhoods, and demonstrate the love of Jesus through hands-on ministry in a large one day service event.

This past year we completed 8 projects with 127 total volunteers. Which totaled up to 381+ hours served in our local community.

In 2026, we were able to partner with and serve the following organizations; Mother's Refuge, Lawncare Kindness, City Park, Blessing & Appreciation Bags, Shelter KC, Community Clean-Up.

As Kingdom Builders grows, so does our impact on our local community.

In 2027, we cannot wait to see how we are able to meet the needs of our community with the partnership of Kingdom Builders.

Back To School Bash exists as another opportunity to bless local families with school supplies, community support and encouragement from our church family as they prepare for a new school year.

This is another tangible way that we can love those who surround us in the community daily and remind them of the love that Jesus has for them.

BACK TO SCHOOL BASH

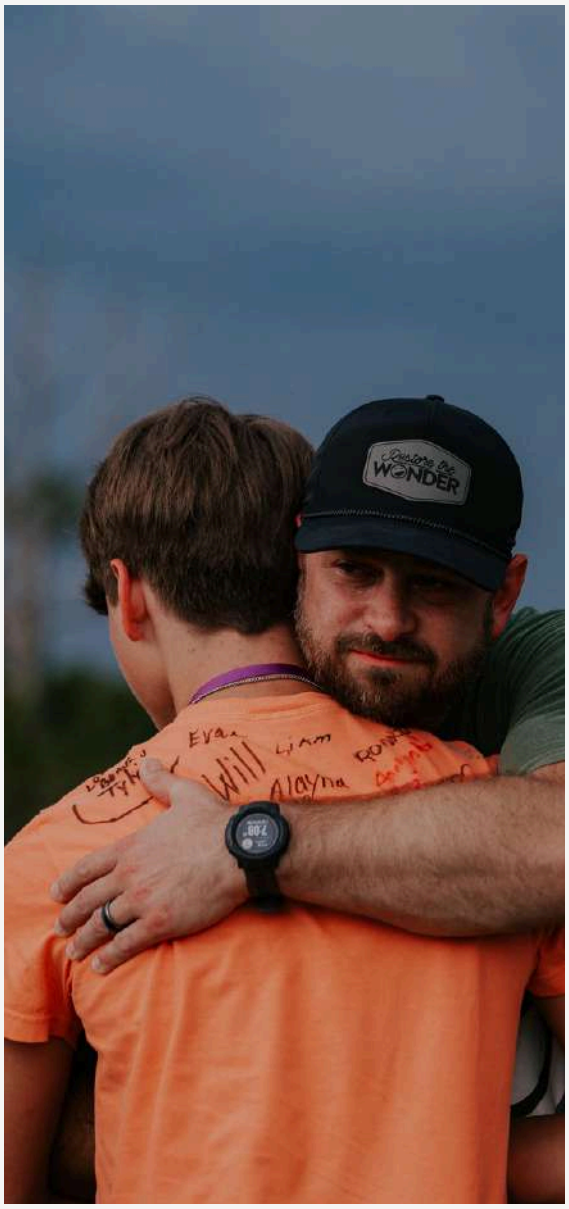

FREE RESOURCE

RTW KC

Every child deserves to know they are seen, valued, and deeply loved. In 2027, Restore the Wonder is expanding to Kansas City to create a life-changing camp experience for children in foster care and other vulnerable situations. Each child is paired one-on-one with a trained adult volunteer who spends four unforgettable days encouraging them, celebrating them, and showing them the love of Jesus.

For many of these children, life has been marked by instability, loss, and circumstances they did not choose. Restore the Wonder gives them a place to simply be kids again—to laugh, experience new adventures, make incredible memories, and discover that their story matters.

Our first Kansas City camp will serve 40 children, surrounding each one with a community determined to show them they are not forgotten. Through Kingdom Builders, we are bringing this ministry to our own backyard and helping children experience the hope of the Gospel, the love of Jesus, and the truth that their story is not over.

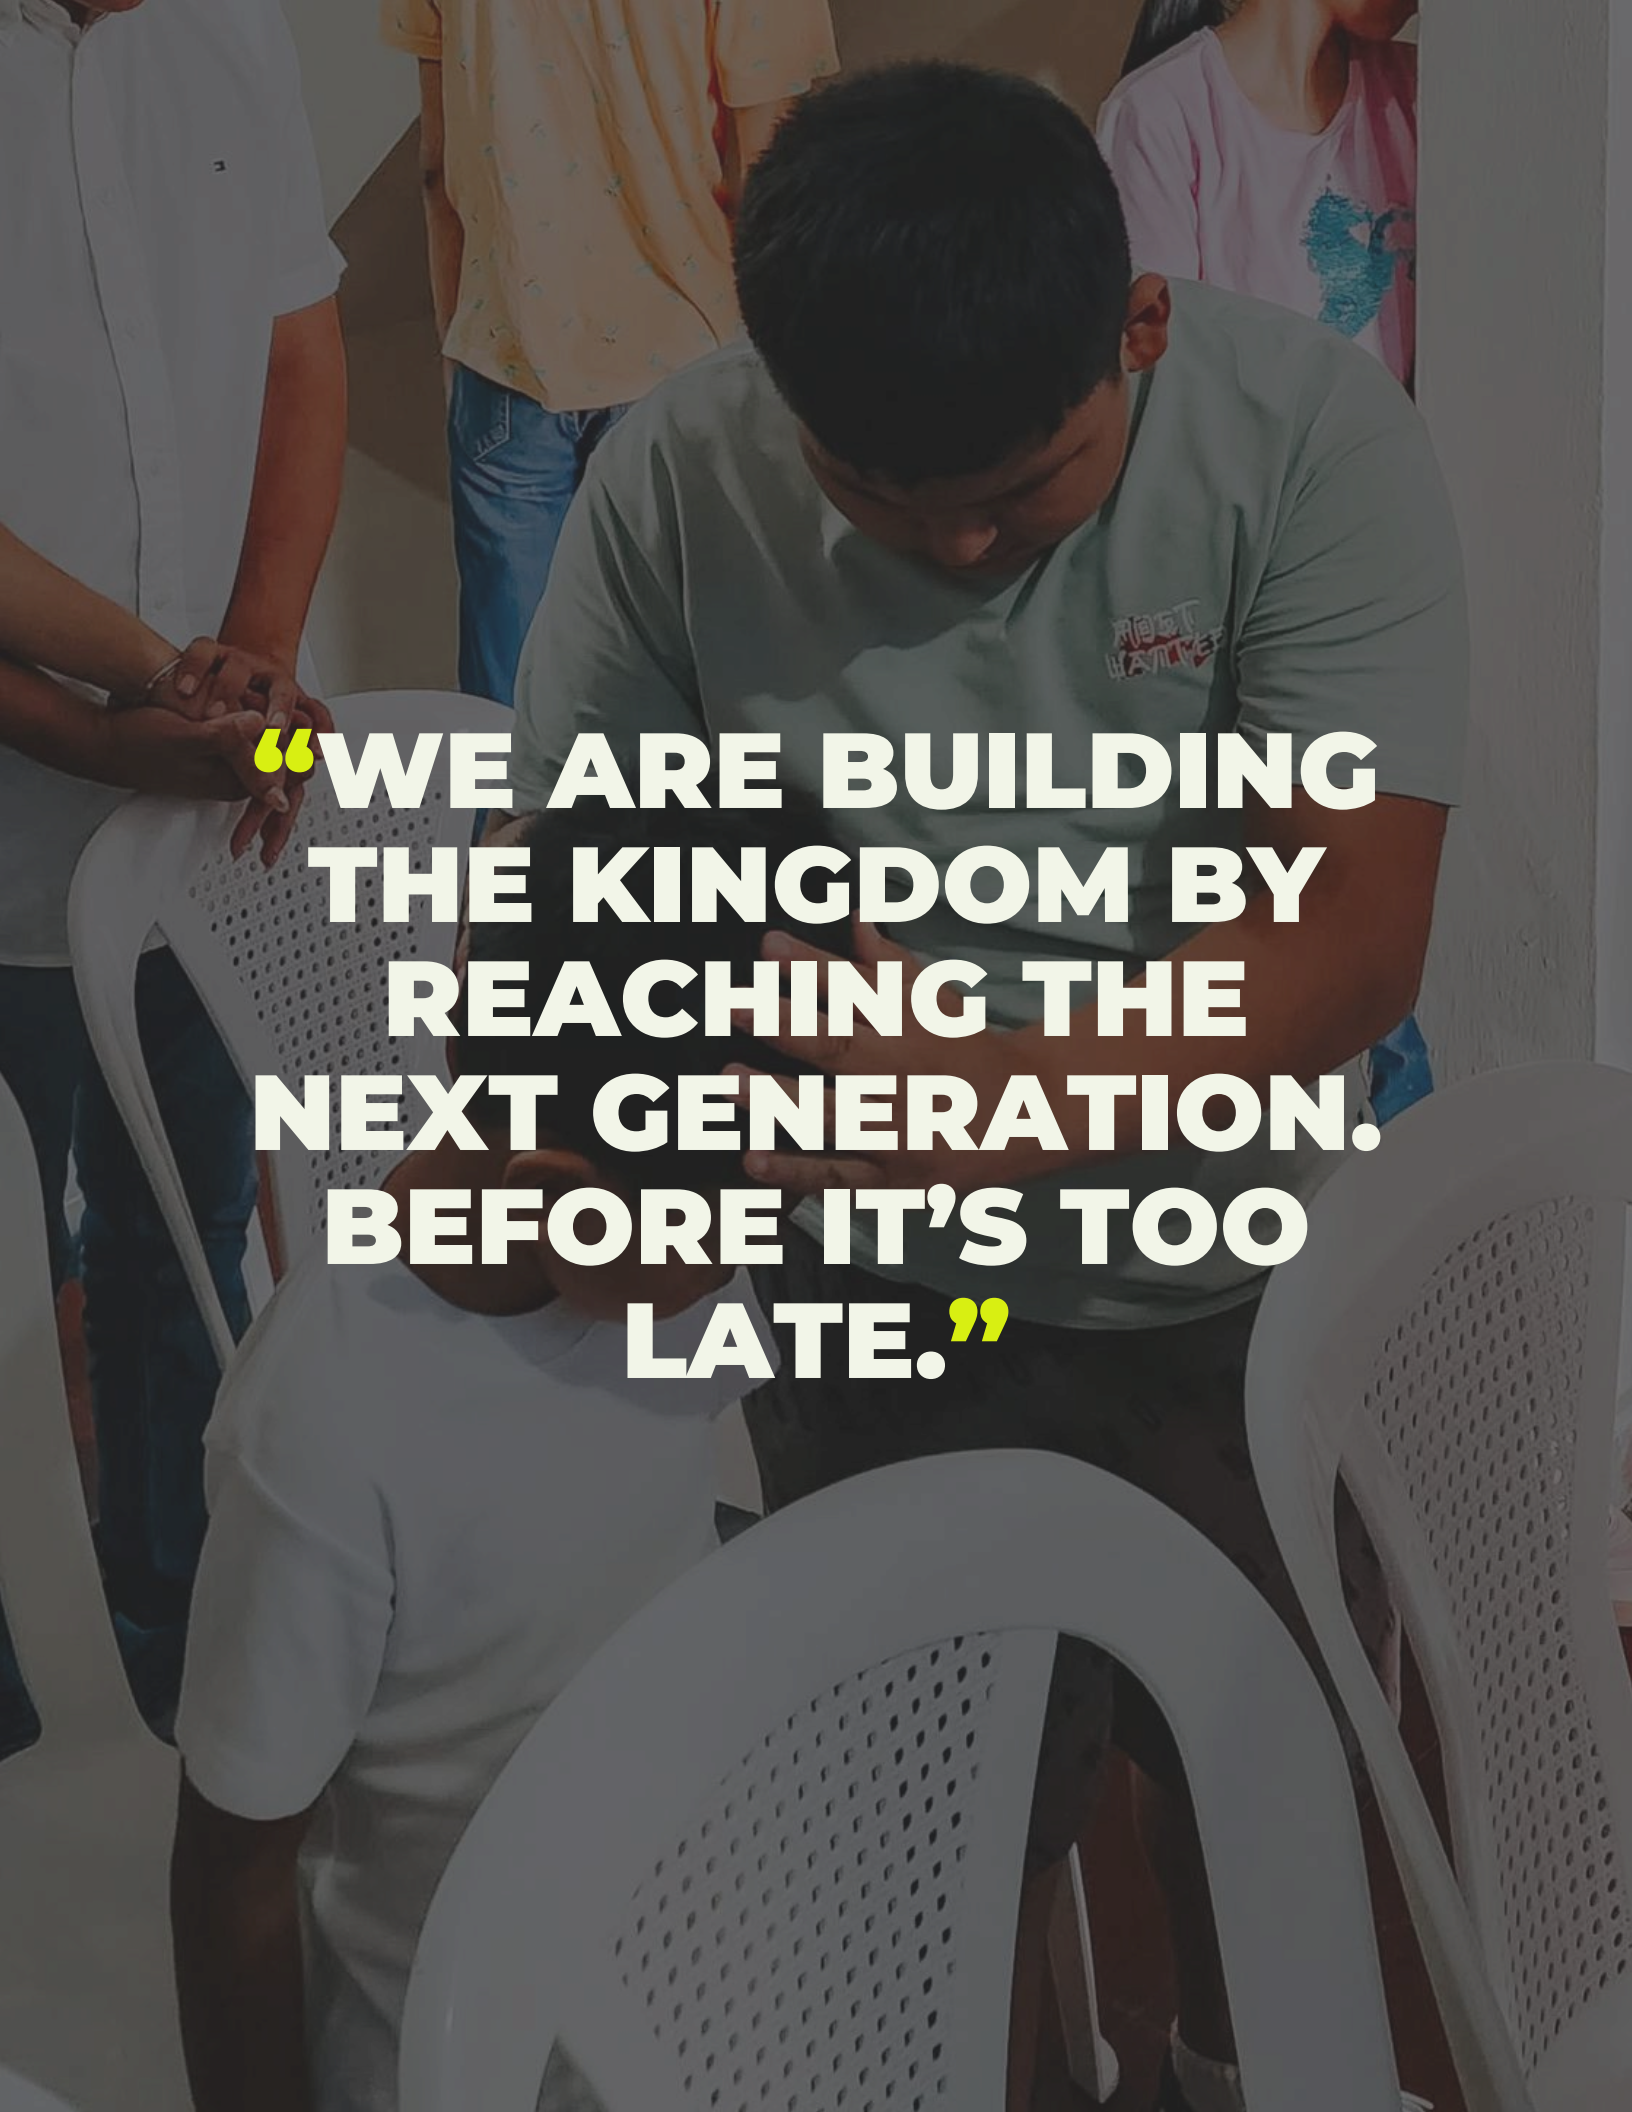

HOMELESS MINISTRY

Blue Springs Assembly will be providing practical support, compassionate care, and Gospel-centered ministry to individuals experiencing homelessness in our community. Our goal is to remid them that they are loved, seen, and known by not only us, but by their Father in Heaven.

NEXT GEN PROJECTS

KID CON

Kid Con is a high-energy weekend experience designed to help kids encounter Jesus and invite their friends. Think VBS on steroids—packed with worship, fun, and life-changing ministry. By keeping the event free, we remove barriers and create an easy invitation for families throughout our community.

YOUTH MISSIONS

Our goal is to continue providing opportunities for students to engage in missions experiences that develop compassion, leadership, and a heart for the nations.

INTERNSHIP PROGRAM

We value training and developing future ministry leaders through intentional discipleship, mentorship, and hands-on ministry experience.

CAMP SCHOLARSHIPS

Ensuring finances never become a barrier for students who need a life-changing encounter with Jesus at camp.

“EVERY STUDENT NEEDS A SPACE AND EVERY SPACE HAS A MISSION.”

GROWTH PROJECTS

EXPANSION & ALIGNMENT

GROWTH EXPANSION

Through Kingdom Builders, we are investing in the future ministry capacity of Blue Springs Assembly by preparing for growth and creating opportunities for additional space. We believe healthy churches plan ahead, make room, and prepare for the harvest before it arrives. In 2027, we are taking intentional steps toward the next phase of our facility expansion—positioning ourselves to create more room for people to encounter Jesus, find community, and grow in their faith. Every step forward is about more than buildings or square footage; it is about the people God is calling us to reach. We are not preparing for someday. We are preparing for someone.
