## Hope South Campus Building Update

The concrete floor slab for the Hope South Campus Worship Center was poured on Thursday morning starting at 2:00am!

About a dozen workers worked throughout the night, placing the concrete and then finishing the surface in the morning. The cooler overnight temperatures allow the concrete to cure more slowly with less sun exposure and evaporation, allowing for a more consistent finish.

## Holy Land Trip Registration Deadline Extended

A message from Pastor Rani:

We all have been prayerfully watching global events in recent months, especially as it relates to the upcoming Holy Land Pilgrimage. Thank you for being in prayer for the sake of the world.

With recent developments moving in a positive direction, the future is looking more hopeful than ever before. That being said, we will move forward with our plans for the Holy Land Pilgrimage keeping in mind that the exact final dates/times might need to change based on scheduling and information received from airlines. We will keep you updated as more information becomes available.

For now, the deadline for the \$500/person deposit to confirm participation has been extended to June 20. Please see the attached flyer for more information.

We will have another in person meeting in July to update you and address any questions you may have. This will take place before the July 20 final payment due date. We will make this process as enjoyable and as smooth as possible for everyone.

I know that this journey to the Holy Land will be transforming and life changing to those who will get to walk in the footsteps of our Lord Jesus. May our Lord continue to bless you as you seek a deeper relationship with Him.

## 5 Things You Should Know about Our Stephen Ministers

### Part #5: Does this fit into our Mission Statement: To Know Christ and to Make Christ Known?

Yes! Stephen Ministry equips trained congregation members to follow Stephen's example, offering care for grief, illness, divorce, job loss, loneliness, and other life difficulties. The ministry emphasizes confidentiality, long-term support as needed, and a structured approach to caregiving, reflecting the early church's commitment to service and compassion.

In essence, Stephen Ministry is a practical outworking of biblical principles, rooted in the example of Stephen and the teachings of Jesus, demonstrating that Christian caregiving is both a spiritual calling and a tangible expression of God's love. And, as God works through the other person, God touches you.
