SIM Connect Event

The SIM Connect Event happens five times each year. It is a time for people to connect with SIM and learn more about our vision and how we work.

The first day is for pastors and supporters to learn about sending well.

The second and third days are targeted to those who are considering going as missionaries.

Beth and I were both helping during the long weekend. Beth was helping out in the kitchen and I taught one session on "preparing missionaries" and was also circulating as a Chaplain.

One big highlight was that Josiah and Jenna were participants this time. As you may know, they are planning to go as missionaries and they are in the process of deciding which organization

will be best for them. Josiah is of course an SIM MK (missionary kid). But Jenna is an MK from the Southern Baptist Mission (IMB). **You can be praying for them as they make a decision in the coming months.**

If you are interested in participating in a future Connect Event, we would love to help you out.

There are five Connects each year. Upcoming in 2023:

January 19-21

March 23-25

May 18-20

July 27-29

November 2-4

Happy 59th Birthday to me -

I have officially started into the last year of my sixth decade. Next year is the big 60. I feel so blessed to be able to grow older and hopefully wiser.

Yay for birthdays.
