

**Phone Call from Roosevelt Agustin
Gonaives, Haiti
March 4, 2026, 11:00 AM**

Roosevelt greeted me (Phil Thimell), and asked me to greet the Pastor, the Missions Committee, and FBC Watsonville on his behalf.

He said he appreciates very much our continued, and long-term support, both financially and prayerfully, and thanked us profusely.

He said he had just arrived back in Gonaives (from the US?) and the cell phone call was very “difficult”. I asked for clarification, but he repeated it was very difficult, and that he would call me back.

We said our good-byes, and hung up.
