

"Be of good courage, and
let us be courageous for our
people, and for the cities of
our God, and may the Lord
do what seems good
to him."

2 Samuel 10:12

Dear FBC Family,

6/20/2026

Words cannot describe how grateful I am to be supported by you all for my mission to Southeast Asia this summer. As I set out to leave tomorrow, I thank you for all the prayers and love you have been pouring over me! I am so excited to report back and share how the Lord is working in His people across the world, and am so grateful to have you all alongside me as we share the Gospel News with them! Thank you for helping make this all possible and for being a part of my village! I love you all!!

Much love,
Jennie Blaine
