

Yodis in Ukraine

Hey Friends. A couple prayer requests...

Firstly: I'm scheduled to preach at one of the more influential churches in our area this Sunday. Mark 4:1-20 with an emphasis on the Good Soil and becoming the Sower.

Secondly, a major shopping center in Kryiviy Rih was targeted today with low-flying drones in a double tap strike - the most cynical attack of all. The latest report shows 15 civilians dead and 130 wounded.

Remember: double tap strikes show intentionality - the Russians intended to kill civilians. Regardless, there are plenty of people to pray for in Ukraine today.
