

Hey everybody,

November 2022 has been an amazing month! So much is happening. I would love to share a few highlights with you. I have added a few YouTube videos to my [channel](#) which you might enjoy. **Also, end of year giving is so important to my ministry. Please prayerfully considering donating [here](#).**

This Scripture is very important to me: "How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!"” Romans 10:14-15 (ESV)

Please pray for the people with whom I interact. Pray for their hearts and eyes to be open to hear the gospel, the good news that only can be found in Jesus.

### **Haven Ministries Christmas Party**

Haven Ministries will be hosting our annual Christmas party on December 3<sup>rd</sup>.

### **Mormon Outreach**

As you may recall; Bill McKeever and Eric Johnson and I did a two week trip to experience many of the Mormon historical sites so that we are aware of what the current missionaries are teaching, and to witness to the visitors and staff at the sites. Click [here](#) to read an article about our trip along. You may also with listen to the podcast about our trip [here](#). Bill and Eric share about the important facts which were left out of the site visits to protect the LDS Church. Each podcast is only 14 minutes. Please continue to pray for the Missionaries and others who we talked with while on our mission trip in July, and please pray for the LDS people who I continue to talk with on a daily basis.

## Baha'is

If you were to ask any member of the Baha'i Faith if Baha'u'llah was a descendent of King David, many would say yes and apply Isaiah 9:7 and Daniel 7:14 to Bahá'u'lláh as Baha'is believe Bahá'u'lláh is the Second Coming of Christ. See [here](#).

Isaiah 9:7 (ESV) says:

“Of the increase of his government and of peace there will be no end, on the throne of David and over his kingdom, to establish it and to uphold it with justice and with righteousness from this time forth and forevermore. The zeal of the Lord of hosts will do this.”

Daniel 7:14 (ESV) says:

“And to him was given dominion and glory and a kingdom, that all peoples, nations, and languages should serve him; his dominion is an everlasting dominion, which shall not pass away, and his kingdom one that shall not be destroyed.”

Now, let's take a closer look at these passages. Bahá'u'lláh never ruled over any kingdom of any kind. He actually spent most of his life on house arrest or in actual prison. That is surely not to be considered as ruling a kingdom. He also never sat on David's throne let alone a throne in Israel. He also never judged or gave justice to everybody. Sure, he wrote some letters to leaders, but he did not give judgement or justice to them. If Bahá'u'lláh even had a kingdom it died with him in 1892 which means his kingdom was never “forevermore”.

When we also take a look at Daniel 7:14 we also see that not everybody of every nation and different language served him. Most people on this planet have never even heard of the Baha'i Faith. When I talk to most people that I come in contact with and I explain that I love the members of the Baha'i Faith, they usually give me a blank stare and ask “What is the Baha'i Faith? I have never even heard of it.” I then go on to explain what the Baha'i Faith is to them.

Let's also take a look at what is not supposed to occur to the Holy One of David:

“And as for the fact that he raised him from the dead, no more to return to corruption, he has spoken in this way, “‘I will give you the holy and sure blessings of David.’ Therefore he says also in another Psalm, “‘You will not let your Holy One see corruption.’ For David, after he had served the purpose of God in his own generation, fell asleep and was laid with his fathers and saw corruption, but he whom God raised up did not see corruption” (Acts 13:34-47, ESV). Also review Acts 2:27-36.

Bahá'u'lláh's body has seen corruption and has remained in the grave since 1892. You can still to this day visit Bahá'u'lláh's grave in Acre, Israel. How is Bahá'u'lláh the conquering king or how did he come in glory when he never ruled, gave justice, had everybody serve him?

I still continue to talk with members of the Baha'i Faith on a regular basis and do Zoom sessions with them. Please pray that God will open their eyes and truth.
