

April 2026

Dear,

Greetings friends and family! I hope you had a wonderful Easter with your family and that you have been enjoying the weather and growth that Spring has brought! These past months I have been continually reminded of God's **continual grace** and **sufficiency** in my life and this ministry. Some news on those who have inquired about our van situation: our van that has served us faithfully for over 20 years was diagnosed with needing a new engine. For the time being, Life in Christ Church is allowing us to utilize their church van to pick up our kids (**praise God for his provision!**). Going forward, we will most likely be selling the van for parts and setting the money aside in a "van fund". *I am very grateful to those of you who anticipated our needs and directed an additional donation towards repairs.* **Join us in praying for an opportunity to purchase a ministry van in the future.**

This past week we hosted our first ever Campus Life "Nugget Night"! We had some new first-time students attend that we invited through our contacting efforts, praise God! We had some good building time with all kids in attendance (a big shout out to my team for making it happen!) and had some "Nugget Trivia" fun (*how many nuggets tall is Dwayne the Rock, anyone?*). Thank you so much for your prayers surrounding this event!

In upcoming events, Heatwave, our annual trip to Wildwood, New Jersey, is coming up (June 28-July 2)! This trip is an incredible opportunity for our kids to engage with other Campus Life groups and to hear the Gospel message through speakers and small-group seminars and a great time for us to bond and have Christ-sharing conversations with our kids. **While this trip can**

be a life-changing experience for our kids, it is one of the largest expenses for the year, with a cost of \$360 per student. For many of our students' families, this is out of their price range. I ask that you would prayerfully consider helping sponsor one of our kids so we can eliminate any financial barrier to coming on this trip.

Please keep myself and the staff in your prayers as we look ahead to end of the school year. Pray that we would have hearts of obedience and compassion for our kids. Please keep the new students that attended our "Nugget Night" in your prayers and that we would see them return this week to Campus Life. Continue to pray for both the numerical and (more importantly) spiritual growth of our group. Thank you, as always, for your many prayers and financial support.

May God bless you and keep you in the coming weeks.
