V1 VERSE 1

If it wasn't for God
There would be no light
If it wasn't for God
There would be no life
God You created
Heaven and Earth
Said it was good
And saw its worth
But the work wasn't done
'Til You sent Your Son

C CHORUS

Great is Your love for us
Oh ohh firmly established
Enough we can grasp

Po POST CHORUS

How far how wide
How deep how high
The love of Christ is for us
Oh ohh great is Your love
Great is Your love for us

We know You're coming
Coming soon
