

SHEPHERDS – Scene 5

Shepherd #1: Did you just... did you see it?!

Shepherd #2: Did you see what happened? There was an angel...

Shepherd #1: There were like 100... 200... there were too many angels to count!

Shepherd #2: They... were... EVERYWHERE! The sky was as bright as I've ever seen!

Shepherd #1: One of the angels said, "Fear Not..." but I wasn't afraid... I mean, this guy was terrified but not me... I'm almost a grown man, so I don't get afraid...

OK! Maybe I was a little afraid... Alright, alright, who am I kidding? I thought the whole world was ending! I've never seen anything like it!

Shepherd #2: The angel also said he was bringing good tidings of great joy! Then he told us that the Messiah we've been waiting for has been born this night in Bethlehem in a... in a manger? Imagine that...

Shepherd #1: The Savior of the world... is not far from here...

Shepherd #2: And He lays in a... in a feeding trough?

Shepherd #1: We need to go see Him!

Shepherd #2: Are you headed there too?

Shepherd #1: The angel told us to follow the star, so I suggest you do too!

Shepherd #2: We have to gather our things and then we'll be right behind you.

Shepherd #1: Safe journey travelers.
