

WISE MEN – Scene 4

Wise Man #1: Oh, hello! Umm, welcome to our camp. Sorry for the mess, we've been here for a while. We seem to be lost. We're on our way to see the newborn King. He is the Messiah, the Savior of the world. We've been waiting for Him for a long time, and when we saw the brightest star, we'd ever seen, we just knew that it was a sign from God!

Wise Man #2: We're called Wise Men, or Magi... some people have even referred to us as kings.

Wise Man #3: But we are looking for another type of King. We are scholars that study the stars and ancient writings. While we were studying, we saw signs that pointed to an ancient prophesy about the new King of Judea that was coming true.

Wise Man #2: So now we have been on a long journey... following the star. We have brought the new King gifts. Gold, Frankincense, and Myrrh.

Wise Man #3: We've been to see Herod, the current king of Judea. When we told him that we were looking for the new king, well, he wasn't very happy about that... not happy at all.

Wise Man #1: He doesn't seem like he's ever been a happy guy. Bit of a grump, really.

Wise Man #2: Well, I don't know... he seemed pretty nice to me... What?! He seemed nice.

Wise Man #1: Anyway, we are not falling for Herod's schemes.

Wise Man #3: We really need to get on our way to find this new King. This guy here is in charge of our travels plans.

Wise Man #2: But we seem to have lost sight of the star... if we only knew where that star went... Maybe the clouds are covering it up. Well, I guess we'll just have to camp here for a while until we see the star again.

Wise Man #1: The prophesies say that this King will come out of Bethlehem. Do you think we should head there? Are you headed that way?

Guide: We are headed to Bethlehem. We have also heard about the new King who is to be born there. Good luck Magi... I think they are going to need it.
