Through every trial  
Every twist and turn  
We choose to trust You 'cause You're

You're our Foundation  
So we'll stand firm  
We choose to trust You 'cause You're  
still

And in the waiting  
As we endure

still

No matter how much it hurts  
We choose to trust You 'cause You're  
still

So we're still thankful  
Sing if you agree
