

Camera Station

Helping people experience worship wherever they are.

THE DIFFERENCE YOU MAKE

Every week, people worship with us from hospitals, nursing homes, college dorms, vacations, and homes across the country. The Camera Station Volunteer helps create an online worship experience that feels welcoming, engaging, and distraction-free so people can focus on Jesus rather than the technology.

RESPONSIBILITIES

- Operate cameras during worship.
- Display lyrics and slides.
- Help livestream the service.
- Prepare equipment before worship.
- Complete a simple opening and closing checklist.

TRAINING

No Experience Needed

We'll teach you everything you need to know. You'll receive one-on-one training and plenty of time to practice before serving on your own.

READY TO GET STARTED?

We'd love to answer your questions, show you the camera station, or schedule a training session.
