

INTERCESSORY PRAYER LIST

November 1-7, 2026

CHRISTIANS AROUND THE WORLD

Praying for Christians in China - About 130 million Chinese are Christians, most of whom worship within the house church movement. Despite continuous pressure and oppression from the Communist government, house church leaders refuse to compromise the gospel by joining government-controlled churches. Because of decades of government oppression, many Chinese Christians do not have their own Bible or access to discipleship literature.
