

Praise Team

Helping the congregation praise God through music.

THE DIFFERENCE YOU MAKE

God has hardwired music into our hearts and minds. As a Praise Team member, you use your musical gifts to lead the congregation in praising God. Your preparation, musicianship, and visible warmth help create an excellent, Holy Spirit-led worship experience.

RESPONSIBILITIES

- Prepare your assigned part before rehearsal.
- Lead the congregation in singing and worship rather than performing for them.
- Follow the worship leader and respond well when song arrangements change.
- Set up and put away your own instrument or equipment as needed.

TRAINING

Musical Experience Required

This role requires proficiency with your voice or instrument; reading music is preferred. Vocalists should be comfortable singing parts and harmonies. Amanda may ask you to sing or play to help determine your fit.
