

ProPresenter Operator

Helping the congregation follow and participate in worship.

THE DIFFERENCE YOU MAKE

By advancing lyrics, Scripture, responsive readings, sermon slides, announcements, and media on the congregation-facing screens, you help people sing, follow the message, and participate in worship. Your attentive, behind-the-scenes service keeps each element clear and timely.

RESPONSIBILITIES

- Advance prepared ProPresenter slides during Sunday rehearsal and worship services.
- Display each lyric slide early enough for the congregation to sing confidently.
- Advance sermon slides based on the pastor's cues and other media at the appropriate time.
- Record corrections and communicate service changes to Amanda.

TRAINING

No Experience Needed

Amanda will show you the ProPresenter station and software. You do not need to read music, but you should be able to anticipate the next lyric and stay attentive to cues throughout worship.
