

Sanctuary Choir Member

Sharing Scripture and God-honoring texts through music.

THE DIFFERENCE YOU MAKE

Music is a universal language. Texts put to music have a way of lodging more securely in our memories. God has gifted many to compose and arrange beautiful, heart-touching music. As a choir, we can share musical settings of Scripture and God-honoring texts the congregation may not otherwise experience. These can help worshipers consider God in meaningful ways.

RESPONSIBILITIES

- Attend Wednesday rehearsals and scheduled Sunday presentations, September–April.
- Sing at both morning services on scheduled Sundays.
- Do your best to follow the director's goals and suggestions.
- Interact with fellow choir members and make a heartfelt effort to welcome all into the group.

TRAINING

No Audition Required

Reading music is helpful but not required. The director can provide help with notes and rhythms. Being able to carry a tune will help you have a positive experience.
