

Weekly Prayer Team Member

Praying for others is a wonderful and rewarding experience. It is an honor to be entrusted with others' concerns, needs, praises, and thanksgivings.

THE DIFFERENCE YOU MAKE

It is a privilege to be intercessors for others. Jesus is our Great Intercessor, and He calls us to do the same. Hearing someone promise, "I will pray for you," is a blessed promise. Even better is KNOWING there are others praying for you. You could be part of such a team.

RESPONSIBILITIES

- Be committed to pray, as often as possible, for the people and situations assigned to you.
- Be firmly committed to confidentiality. Those who share requests are sharing something precious. We must guard the trust they place in us.
- Participate on the team as long as the Spirit leads you to stay, and let the director know when you need to step away.
- Communicate with the director anytime you fail to receive pertinent and up-to-date information.

TRAINING

Prayer experience is very helpful.

You must be at ease with talking to God about the requests given to you.
