GLOBAL PARTNERSHIPS

ISA works alongside nonprofit organizations, ministries, & abolitionist leaders around the world. Through strategic partnerships, we help strengthen prevention efforts, share resources, & support organizations working to advance freedom.

SURVIVOR VOICES

We interview survivors to hear their experiences, perspectives, & insights. By providing a platform for survivor voices, we seek to increase understanding, inform prevention efforts, & bring greater awareness to the realities of trafficking.

NONPROFIT VETTING & SUPPORT

We research & evaluate nonprofit organizations to identify credible partnerships & opportunities for collaboration. We also assist organizations through connections, resources, & practical support to strengthen their efforts.

CHURCH & COMMUNITY ENGAGEMENT

We partner with churches, businesses, schools, & communities through presentations, outreach, & awareness initiatives. We seek to equip & mobilize people to become active participants in the fight against trafficking.
