

re|engage Marriage Ministry FAQs

Fall 2026 at Fair Oaks Church

What is re|engage?

A Bible-based program that empowers couples by giving them an intentional process as well as practical relational tools to strengthen and enrich their marriage relationship.

How does re|engage work?

re|engage combines several transformative practices: a large group teaching component, individual homework (through the re|engage curriculum), couple interaction focused around the re|engage curriculum, and small group sharing in a safe, confidential environment (which we call a closed group).

What is a closed group?

A closed group is a dedicated group of 5-7 couples led by at least one mentor couple who facilitates and leads the small group discussion. The membership of the group stays consistent, does not add new members during the program, and maintains confidentiality within their group.

What is the time commitment?

A re|engage session usually runs for 12-14 weeks in duration. This fall we will offer a **12-week session on Wednesdays from 6:30-8pm at Fair Oaks Church** (Family Life Center) **from September 2 – December 2, 2026.**

(Note: No meeting on 11/11 Veterans Day and 11/25 Thanksgiving Eve)

Who is welcome to attend?

Married couples of all ages and seasons of marriage. Both spouses must attend and we ask that couples make a commitment to the full duration of the program as the power of the program rests in the consistent, regular, sustained work each couple puts into their marriage relationship.

What if I'm not ready to commit to the 12-week closed group session?

If you are interested but not able or ready to commit to the 12-week session, couples are welcome to attend any weekly large group session and participate in an open group discussion focused on that evening's teaching topic.

What does re|engage cost?

\$75 per couple (covers curriculum, course materials and administrative costs)

Is childcare available?

Yes! Available for Kinder and under with registration (located on the 1st floor of the Kids & Youth Center).

We also have **programs available for elementary and middle schoolers** to participate in:

- Kids Club is for 1st-5th grade (1st floor) | 6:30-8p
- Middle School (6th-8th) (2nd floor) | 6:30-8p
