

God Math

When we look at what God says about money, sometimes it doesn't make sense, but then most miracles don't. During this series, we will learn biblical truths about His provision as we live beyond the budget and experience the supernatural God Math.

A girl says I bought a dress for \$50 and returned it for store credit. I bought another one for \$75 so basically I got a better dress and only spent \$25. No, that's not how it works. You spent \$75. No dad, it's girl math.

God Math Doesn't Make SENSE but it Works.

Jesus soon saw a huge crowd of people coming to look for him. Turning to Philip, He asked, "Where can we buy bread to feed all these people?" ⁶ He was testing Philip, for he already knew what He was going to do. John 6:5-6

Jesus said no YOU feed them.

Philip replied, "Even if we worked for months, we wouldn't have enough money to feed them!" John 6:7

**What are you focused on...
your lack or God's provision?**

Tell everyone to sit down,” Jesus said. So they all sat down on the grassy slopes. (The men alone numbered about 5,000.)

John 6:10

They had to obey to receive.

God Math Begins with OBEDIENCE

Then Jesus took the loaves, gave thanks to God, and distributed them to the people. Afterward He did the same with the fish. And they all ate as much as they wanted. John 6:11

They GAVE Jesus the little offer and He did God math!

You have to give God something to multiply.

After everyone was full, Jesus told His disciples, “Now gather the leftovers, so that nothing is wasted.”¹³ So they picked up the pieces and filled twelve baskets with scraps left by the people who had eaten from the five barley loaves. John 6:12-13

God Math:

5 + 2 = 5,000 + remainder 12

There’s a young boy here with five barley loaves and two fish. But **what good is that** with this huge crowd?” John 6:9

A little boy’s lunch? What good is that?

Do you have a little/ Give it to God.

The little boy had to give. The disciples had to obey. Then the miracle happened.

God Math is about MULTIPLICATION

10 apples– 1 = Tree (Multiplication)

You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. "For God loves a person who gives cheerfully." 2 Corinthians 9:7

When you see how God math works you become a cheerful giver.

You want to move beyond the obedience of the tithe into offering. That's when generosity is birthed. Faith for abundance released.

And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others. 2 Corinthians 9:8

Like the fishes and loaves there will be extra to share.

God Math = TRUST

God math doesn't make sense, but it works.

It doesn't make sense to our natural minds so we have to trust.

So don't worry about these things, saying, 'What will we eat? What will we drink? What will we wear?'³² These things dominate the thoughts of unbelievers, but your heavenly Father already knows all your needs. Matthew 6:31-32

This is the secret to a blessed life.

Seek the Kingdom of God above all else, and live righteously, and He will give you everything you need. Matthew 6:33

Give God your temporary, short life and He will take that and multiply it, giving you eternal life!!

Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. 2 Corinthians 9:6
