**I Peter 2:13-17 - “The Checklist”**

The “One Thing”

From Today’s Passage: What is the One-Thing you would teach on?  
 (have each in the group share their one-thing)

Ice Breaker: Have each in the group share examples of their use of a checklist.

Who has a job that they are used daily?

Any examples of “homegrown” checklists?

Is there anyone in the group who has never accessed one?

Submission – Typically a word we don’t like to hear about but one that we enjoy the outcome of when exhibited properly in society. That said, share where you acted in submission this week.

Read **Hebrews 12:9** from various Bible translations. Discuss how God’s Authority plays a role in a person acting in submission. Look & Discuss examples in the Bible of when submission to God was ignored. What was a common outcome? Look for when it was applied. Are there different outcomes?

Individually, take the 5-point checklist and place them in order of importance to you. Discuss what actions or motivations you place in your life to be able to “check” each one. Share Bible verses if you have some.

If time permits, take a deeper dive into the verses shared in the study that related to God Never Allows Total Free Reign. (**Psalms 37:7-10, I Corinthians 10:13-14**) How does God love reveal itself when He limits your free reign?

Close in Prayer for one another
