

DIRECTOR CHAD BREWSTER

Dear Pastor,

Thank you for taking the time to inquire in our ministry. Lamp and Light Shipping is a ministry of Ridgeview Baptist Church in Walland TN under Pastor Wayne Sexton. At Lamp and Light our goal is to provide Bibles (KJV authorized version), tracts, and literature to missionaries of like faith working under the authority of the local church. We have been shipping Bibles and literature to missionaries on the field for the past 4 years. Up to this point our church has been taking care of the financial responsibilities that have come with the shipping ministry. Over the past few months God has opened many doors and if we are to meet the needs of the missionaries we are going to have to partner with other churches to supply the need. In December we shipped two 20' containers one to the Dominican and one to Panama. In February we shipped a 20' container to Haiti and several pallets to St Vincent. In addition we have committed to the following projects for 2026.

- Two 20' containers to Ecuador
- One 20' container to Zimbabwe
- Two 20' containers to Chile
- One 20' container to Ghana
- One 20' container to Paraguay
- One 20' container to Madagascar
- One 20' container to Ivory Coast
- One 20" container to India
- Book order for Bible Institute in Uganda

I have been contacted for the following projects but have not been able to commit to them at this point.

- One 20' container to Guatemala
- One 20' container to Honduras
- Order to Mexico (8k Bibles, tracts, salvation booklets)

To date we have shipped over 63k Bibles, 37k New Testaments, 645k John/Romans, 5.4 million tracts and over 400k salvation booklets. If you and your church would be interested in helping support this ministry I would love to come and share with you in more detail what God is allowing us to do.

His Servant,
